Sara and Mary

It's all in the packaging!

Over the past forty-three years, Mary and her husband Richard Thompson have turned their small card business into a nationally recognized giftware company. Located in historic downtown Oroville, California, they have expanded their products to not only include flour sack towels, but aprons, tote bags, ceramics, cake mixes, sponge cloths and much more. With a focus on creative packaging and quality products, buyers find continuing success with this wonderful brand.

While staying true to her signature style, Mary is constantly creating new artwork and products to maintain Mary Lake-Thompson Ltd.®'s position as a trend setter in the highly competitive giftware industry. Her timeless designs have continued to gain widespread appeal, with an expanding clientele of companies licensing her work.

Our Mary Lake-Thompson Ltd.®'s catalog includes **Montgomery Street Designs®**, a sub-division created by Mary's daughter, Sara Thompson.

Mary Lake-Thompson Ltd.® would like to give an extra heartfelt thanks to all our loyal customers for your continued support. Follow us on Instagram and Facebook.
