## INTRODUCING

Cherrymae Golston is a 3-dimensional artist, born and raised in Belize, whose art explores her Afro-Caribbean heritage through her exquisite quilts and beautiful pottery. She is inspired by the bold patterns and vibrant colors of African and Caribbean decorative arts, creating layers of textural and historical reference.

Cherrymae's work is celebratory, honoring the women that have raised and nurtured her, with positive portrayals of women of African descent in her art. Her work strikes a note of traditional with modern uplifting themes.
