Sara and Mary

Over the past forty-three years, Mary and her husband Richard Thompson have turned their small card business into a nationally recognized giftware company. Located in historic downtown Oroville, California, they have expanded their products to not only include flour sack towels, but aprons, tote bags, ceramics, cake mixes, sponge cloths and much more. With a focus on creative packaging and quality products, buyers find continuing success with this wonderful brand.

While staying true to her signature style, Mary is constantly creating new artwork and products to maintain Mary Lake-Thompson Ltd.®'s position as a trend setter in the highly competitive giftware industry. Her timeless designs have continued to gain widespread appeal, with an expanding clientele of companies licensing her work.

Our Mary Lake-Thompson Ltd.®'s catalog includes **Montgomery Street Designs**®, a sub-division created by Mary's daughter, Sara Thompson. You can see all of Sara's great new designs starting from our fun and creative back cover.

Mary Lake-Thompson Ltd.® would like to give an extra heartfelt thanks to all our loyal customers for your continued support. Follow us on Instagram and Facebook.

It's all in the packaging!

PRODUCTION & LEAD TIMES

Mary Lake-Thompson Ltd.'s charming and unique designs are born from the personal attention we put into each one. We print and package all of our products to order in our Northern California factory. This allows us to offer a huge selection of designs as well as customized products with no setup fees. But it can also result in longer lead times and impact our ability to accept requests for specific ship dates.

In this catalog, we have included our new 2025 Fall and Halloween products to allow for earlier ordering. We recommend getting your orders in ASAP.

Spring orders will begin shipping in December. Please refer to our Holiday 2024 catalog to see our complete Easter collection.

Please help us serve your customers and get our products to you on time by getting your orders in early. *Thank you!*
