*In life we do things.
Some we wish we had never done.
Some we wish we could replay a million
times in our heads. But they all make us
who we are, and in the end they shape
every detail about us. If we were to
reverse any of them we wouldn't be the
person we are. So just live, make
mistakes, have wonderful memories.
But never ever second guess who you are,
where you have been, and most
importantly where it is you're going.*
